

PACIFIC NORTHWEST  
GRAIN & FEED ASSOCIATION

# 2019-2020 ANNUAL REPORT

[WWW.PNWGFA.ORG](http://WWW.PNWGFA.ORG)

# A LETTER FROM THE ASSOCIATION PRESIDENT

---

I am pleased to introduce the Pacific Northwest Grain & Feed Association's 2019-2020 Annual Report. This is PNWGFA's fourth published Annual Report, and we hope the membership appreciates the report and the information contained herein.

2019-20 marked PNWGFA's 103rd year providing industry knowledge, educational seminars, marketing and networking opportunities for members and industry stakeholders. Admittedly, the latter part of our fiscal year proved to be challenging due to COVID-19. The Board made the difficult decision to cancel the Annual Country Elevator Council in April and then again for our June Annual Convention and Golf Tournaments. While not easy decisions to make, the Board felt the cancellations were in everyone's best interest. While being good stewards of PNWGFA's finances, education and resources is of utmost importance - so is the well-being of our members and industry friends. Interestingly, these cancellations affected our year-end financials in a positive way, in that those missing expenses left us with a more profitable year than we typically enjoy. The Board will work to utilize these funds to benefit the membership in the coming year.

So, while association meetings and gatherings have been put on hold indefinitely, the PNWGFA Board continues to meet (virtually!) and work to move the new Education Programming initiative forward, which will include additional safety seminars and other training opportunities. PNWGFA leadership does not pretend to know what is going to happen in the coming months, however we plan to continue providing added membership services and benefits - and if we have to utilize creative new ways to provide this information, we are up for the challenge!

The Pacific Northwest is a special place and we as an organization hope to continue providing a robust and valuable network and forum to all industry leaders. Our organization is only as strong as its membership and participation; we appreciate the members who volunteer their time on the committees and those who attend PNWGFA events. We are fortunate for our Association Director's continued leadership; Margerie Vis' work and dedication continues to facilitate PNWGFA growth and notoriety on a national level; she continues to work with local and national GEAPS as well the National Grain and Feed Association.

Thank you to all who have contributed to our Association this year. As we move further into our second century of association business, we look forward to experiencing this ever-evolving industry and your continued participation and support!

Jordan Van Zante, 2019-2020 PNWGFA President

## A LETTER FROM THE DIRECTOR

---

2019 - 2020 was another productive year for Pacific Northwest Grain & Feed Association. We started the fiscal year (our fiscal year is June 1 – May 31) with our 102nd Convention at Grouse Mountain Lodge in Whitefish, MT. This was our first time at this venue and it did not disappoint! The area was beautiful, the golf courses in great shape, the Lodge's hospitality warm and welcoming. Although we forged through some bad weather, we had a great time with fellow industry friends and welcomed John Anderson (Ritzville Warehouse) and Keith Bailey (AgVentures/HighLine Grain Growers) to our esteemed Honored Members group. 2019's next event didn't disappoint - the Idaho Trout Fry was crazy-fun in late September and had our biggest group ever! We moved into the new year with our 1st Annual Safety Seminar in January 2020 at the beautiful Historic Davenport hotel and enjoyed a great turnout for NGFA's Regional Regulatory Compliance Seminar. Just one month later, the Warehousemen's Conference & Trade Show marked its 53rd Anniversary at Northern Quest Resort & Casino. We again enjoyed a full Trade Show (36 booths and growing!), and repeated the extremely well-received Rail Safety Loading & Unloading Seminar. Even with the unfortunate cancellation of April 2020's Annual Country Elevator Council, the association continues to move our Education Programming initiative forward and expect to announce additional programs in the near future.

I continue to participate in NGFA events and committees and enjoy working as a conduit between NGFA and PNWGFA, sharing information as necessary. I also continue my involvement with local and national GEAPS events as schedules allow. These industry opportunities have afforded our region renewed exposure, and PNWGFA additional opportunities and revenue in the form of new members, increased sponsor dollars, new Annual Directory exposure and advertisers, exposure to pertinent local and national speakers and topics, added Trade Show vendors, and renewed interest from national suppliers and manufacturers who wish to do more business in the Pacific Northwest.

As PNWGFA navigates through a new "normal", I look forward to being a part of new ideas, programs, and creative ways of doing things. It is my hope that our membership remains strong, committed and supportive of PNWGFA's efforts to provide quality education and industry events. We will continue to adapt and remain committed to providing the membership benefits and services our members and industry seek. The following pages contain highlights of last year's annual events. I look forward to another productive and prosperous fiscal year!

Margerie Vis, Pacific Northwest Grain & Feed Association Director

# 2019-2020 BOARD OF DIRECTORS

2019-20 President  
Jordan Van Zante

## President

Jordan Van Zante, Pacifcor, LLC

## 1st Vice President

Beau Duff, HighLine Grain Growers

## 2nd Vice President

Scott Zuger, Lewis-Clark Terminal

## Treasurer

Trudi Allenbach, Pacific Northwest Farmers Coop.

## Immediate Past President

Darrell Booth, Northwest Grain Growers

## Board Members

Brian Chastain, Laughlin Cartrell, Inc.

Stacey Hunt, Ritzville Warehouse Co.

Jason Middleton, United Grain Corporation

Randy Olstad, Columbia Grain, Inc.

## 2019 - 2020 COMMITTEES - CHAIRS & MEMBERS

### Annual Convention

Darrell Booth, Northwest Grain Growers - Chair

Beau Duff, HighLine Grain Growers

Margerie Vis, PNWGFA Director

### Country Elevator Council

Pat Yerxa, Ritzville Warehouse Co. - Chair

Margerie Vis, PNWGFA Director

### Export Trade Council

Ron Williams, Columbia Grain Int. - Chair

Roger Hsieh, BNSF

### Grades Committee

Chris Peha, Northwest Grain Growers - Chair

### Honorary Alumni Committee

Bud Riedner, Pacific Northwest Farmers Coop - Chair

Sterling Haskins, The Haskins Company

### Idaho Trout Fry & Golf Scramble

Margerie Vis, PNWGFA Director

### Legislative Committee

Ken Morgan, Thresher Artisan Wheat - ID Chair

John Evans, Evans Grain, Feed & Seed

Joe Carlon, Mid Columbia Producers, Inc. - OR Chair

Brian Chastain, Laughlin Cartrell, Inc.

Randy Ward, Tri-Cities Grain - WA Chair

### Membership Committee

Margerie Vis, PNWGFA Director

### NewsBulletin Advisor

Mark Platt, Paulson Commodities

### Northwest Feed Council

Brian Chastain, Laughlin Cartrell, Inc. - Chair

### Scholarship Committee

Marvin Clinesmith, HighLine Grain Growers - Chair

Ken Anderson, Shaver Transportation

John Evans, Evans Grain, Feed & Seed

Ted Lowe, Columbia Grain, Int.

Jason Middleton, United Grain Corporation

Steve Shaver, Shaver Transportation

### Southern Idaho Pesticide Conference Committee

Margerie Vis, PNWGFA Director

### Transportation Committee

Roger Hsieh, BNSF

Steve Shaver, Shaver Transportation

### Warehousemen's Conference & Trade Show Committee

Brad Wiley, HighLine Grain Growers - Chair

Marty Hughes, H&S Services - Chair

Brent Schukay, Ritzville Warehouse Co.

Lincoln Short, Northwest Grain Growers

Mark Weber, Tri-Cities Grain, LLC

## 102<sup>ND</sup> ANNUAL CONVENTION & GOLF TOURNAMENTS

JUNE 19 - 21, 2019 — GROUSE MOUNTAIN LODGE, WHITEFISH, MONTANA

The 2019 Annual Convention was a great success! We were hosted by Grouse Mountain Lodge in Whitefish for the first time - and a great time was had by all! The weather was... decent. Cloudy but fairly pleasant on Thursday for the first golf tournament; our non-golfing guests successfully enjoyed lunch and beer/wine/cider tasting in Whitefish. However Friday it rained throughout the day, but even the soaked golfers had a good time! As the venue didn't have hospitality suites large enough to accommodate our group, we took the opportunity to mingle in our banquet room to share laughter, friendship and spirits late into each night. Friday evening's special celebration included honoring our 2019 Honored Members, John Anderson of Ritzville Warehouse and Keith Bailey, AgVentures and HighLine Grain Growers.

Whitefish Lodge was quaint, the food and hospitality was great, the city and outlying area beautiful... based on our experience and attendee comments, we look forward to returning to Montana again soon!

Some Thursday Golf pics:

## IDAHO TROUT FRY & GOLF TOURNAMENT

SEPTEMBER 26, 2019 — CLEAR LAKE COUNTRY CLUB - BUHL, IDAHO

The Idaho Trout Fry & Golf Tournament has become one of the most popular events of the year! Attendees always have a great time, and 2019 was no exception! What used to be a little golf gathering topped 74 total guests from near and far. The Southern Idaho weather was perfect, the golf fantastic and a great time was had by all! This event continues to be a valuable way to meet, market and network with our Southern Idaho Friends. Always the last Thursday in September, plan to join us on September 24, 2020!

—Each player must use a minimum of 2 per shot—  
—The team must play all shots within one club length of the ball that is chosen to play  
—this means you MAY NOT move the ball from the rough to the fairway. If the ball is in  
the rough it must be played from the rough; same goes for bunkers.  
—All teams play the white tees. —All long drives must be in the fairway, not within a  
club's length. Thanks for joining us - HAVE FUN!!

## 2020 PNWGFA ANNUAL DIRECTORY

Over the past 72 years, the annual PNWGFA Directory has grown into a 200-page publication providing the most comprehensive grain and feed directory in the region. The Directory lists 1,000+ member and non-member companies handling grain, feed, seed processing and allied industry suppliers in the Association's four state region and beyond.

The PNWGFA Directory provides you and your customers with the necessary contacts, addresses, phone and fax numbers, as well as website and email contact information, helping to enhance your business in the Pacific Northwest.

**ADVERTISE!** It is easy to reach your customers in the Pacific Northwest: Advertise in the Annual Membership Directory and Buyer's Guide. Unlike weekly and monthly trade magazines that may be quickly discarded, your advertisement in the PNWGFA Directory is prominently featured in an attractive and efficient reference book that is used daily for a full year.

Watch for data collection and advertising information notices coming this fall!

# PNWGFA 2019 - 2020

## 1ST ANNUAL SAFETY SEMINAR

Based on member input and the Board of Directors' new Education Programming Initiative, PNWGFA kicked off the 1st Annual Safety Seminar on January 19, 2020. As an affiliate of National Grain & Feed Association (NGFA), we worked together to create a wide-reaching agenda that covered regulatory issues, Washington State Plan priorities, grain bin operations and safety and entrapment issues. The seminar was very well-received and hosted a total of 58 attendees.

PNWGFA remains committed to our mission:

**"To serve our diverse membership by providing training, sharing information and fostering relationships."**

As we continue to expand on our education and safety efforts, we invite topic ideas, speaker suggestions and other input from membership. Please contact Margerie with your recommendations today!

## PNWGFA ANNUAL SPONSORSHIP PROGRAM

PNWGFA introduced our first Annual Sponsorship Program over the summer months in 2020. The intent is three-fold: Provide a new, optional way to provide annual sponsorship to the Association in one convenient step, reduce the number of sponsorship calls throughout the year, and assist with early PNWGFA event planning with "money in the bank."

There are multiple tiers in the program - please consider becoming an Annual Sponsor for the 2020-21 year! Visit [www.pnwgfa.org](http://www.pnwgfa.org) for more information.

## 53<sup>RD</sup> ANNUAL WAREHOUSEMEN'S CONFERENCE & TRADE SHOW

FEBRUARY 19 - 21, 2020 — NORTHERN QUEST RESORT & CASINO - SPOKANE, WASHINGTON

The 2020 Warehousemen's Conference & Trade Show was another HUGE success! We brought back the half-day Rail Loading/Unloading Safety Seminar, presented by Stephen Fry, Manager Business Development & Operations with Northern Plains Rail Companies. Seminar comments rated this training as excellent and 33 attendees received a safety certificate of completion following this important repeat event.

We had excellent attendance for the entire conference and filled our vendor booth capacity (venue limits) for our Trade Show to 36 vendors! (A last minute vendor cancellation allowed for additional seating on the stage for our guests.) We continued showcasing "PNWGFA PODS", a concept following the GEAPS model of PODS which are short, dedicated time slots with specific vendors designed to foster interactive small-group discussion and/or hands-on demonstrations.

All told, the conference topics were excellent, the speakers top notch, and the attendee comment cards again provided raving reviews. We always strive to improve this event, and look forward to increased national interest and attendance in the years to come!

# SCHOLARSHIP

## 2020 ANNUAL PNWGFA SCHOLARSHIP

The Pacific Northwest Grain & Feed Association Scholarship Fund announced this year's award recipients in June prior to the 2020 Virtual Annual Membership Meeting. The Committee extended the original April 8th deadline by one week in order to assist students who were experiencing difficulty gathering the proper application documentation due to COVID-19. The Scholarship Fund Committee scored and recommended financial awards to each of the following six candidates who surpassed their peers in scholastic achievements, community service, strong work ethic, and are motivated to continue their college education. We are proud to announce the following awardees:

**Marcus King:** Award amount \$3,000. Marcus will soon begin his college studies at the University of Idaho in the field(s) of Crop Science and/or Agribusiness. Marcus plans to be the fifth generation of Kings in agriculture. Historically his family has raised cattle, wheat and alfalfa. He looks forward to working with a wide variety of crops, while earning a good living and coming back home to live a quality life in a small town. Marcus was sponsored by Ritzville Warehouse Co.

**Hannah Peha:** Award amount \$3,000. Hannah begins her second year at Washington State University this fall where she will continue her studies in Integrated Plant Studies. Hannah is deciding on two paths with this degree: either enter into the research realm where she would need to further her education by entering a graduate program in order to ultimately manage a breeding program, or she may decide to enter the workforce after earning her B.S and begin an agribusiness position. Hannah was sponsored by Northwest Grain Growers.

**Kian Ankersen:** Award amount \$1,000. Kian will head to Washington State University this August to begin his B.S. in Data Analytics. Kian has learned some big life lessons in his short life to date: after being shot in the head as a child, he learned that life can be fleeting. He has determined that by working hard and doing his best at everything he attempts, he'll look back and have no regrets! Kian hopes to ultimately use his degree at a big sports-related company, as sports are his passion. Kian was sponsored by Diamond-S Farms, Inc./Uniontown Cooperative Association.

**Morgan Lowe:** Award amount \$1,000. Morgan is going to Blue Mountain Community College to join their Ag Program then plans to transfer to Washington State University to earn her B.S. in Agrobiology and Precision Ag. Morgan was sponsored by Columbia Grain, Int.

**Brayden Seylor:** Award amount \$1,000. Brayden is excited to leave for Eastern Washington University this Fall to pursue his B.A. in Agronomy or Pre-Physical Therapy. Long term, he hopes to return to the Wilbur area to help local farmers produce better crops while keeping weeds in control. Should he change his course, Brayden hopes to work with local athletes to help rehabilitate their injuries so they can return to the courts or fields in a timely fashion. Brayden was sponsored by RBK Joint Venture/United Grain Corporation.

**Josie Westmoreland:** Award amount \$1,000. This hard-working student will be attending Washington State University to pursue her B.S. in Biochemistry. Josie's main interest is healthcare - particularly Radiology. In recent years, Josie has assisted with two separate medical emergencies that propelled her desire to work in the medical field. She hopes to return to her roots and provide medical care for her community. Josie was sponsored by HighLine Grain Growers.

**EDITOR'S NOTE:** Thank you to all those who applied and/or sponsored students in your area. A thorough and thoughtful matrix was created to evaluate and grade every question completed by each student. Each committee member went through this process for the individual candidates, then met via conference call for a group evaluation and final scoring. The time, effort and thoughtfulness put into this process by the Scholarship Committee is greatly appreciated by PNWGFA.

**A special thanks to the Scholarship Committee**  
**Marvin Clinesmith, HighLine Grain Growers - Chair**  
**Ken Anderson, Shaver Transportation**  
**John Evans, Evans Grain, Feed & Seed**  
**Ted Lowe, Columbia Grain, Int.**  
**Jason Middleton, United Grain Corp.**  
**Steve Shaver, Shaver Transportation**

The members of Pacific Northwest Grain & Feed Association (PNWGFA) are pleased to award multiple scholarships to qualified applicants who are either working for, or have family members working with, our regional industry.\*

Our scholarship program is dedicated to helping students reach their academic potential and career goals, while responding to the financial pressures placed on their families.

To qualify for this award, applicants must be:

- High school seniors, college freshmen and/or sophomores
- Have either been accepted, or are currently enrolled in a 2- or 4-year accredited college or university
- Connected with our PNWGFA membership in some way.\*

Previous recipients of the PNWGFA Scholarship are not eligible to apply again.

**Opens  
Jan. 1**
